It was clear that students are highly satisfied with the functioning of college. The improvement resulted in COVID-19 Pandemic. College managed classes and exams very well in this period. Vaccination of staff & students was also managed through a camp in college. Distribution of masks and availability of sanitizers at important points of college. At the same time application of Zoom App, WhatsApp, was applied very well for classes and examination. However the results show that some concern for library, canteen, and sports activities is needed in college. It will be taken care in next session.
